Dear Jim, 5/26/75

I've heard nothing from Ron Plesser since I wrote him. He'd suggested that he might come up last weekend and he seemed to have an interest in the Nosenko stuff. So, I've still got the set of them I'd intended for Hoch.

I wrote Paul about this and told him that if he had not gotten them we'd supply him with copies.

However, if Paul does not see fit to write you or me about this -- and he has not (yet?) written me, I also see no reason for any of us to worry about getting copies to him, much as I'd like to save him the trouble and cost.

If you hear from him, please let me know and we can use the set I've held for Plesser if he wants it.
